The Association of Petroleum Wives (APW) is an autonomous, not-for-profit organization whose purpose is to promote friendship and moral support between women whose husbands are associated with or retired from the petroleum industry. Celebrating 70 years, APW dates back to 1948. APW has raised funds for local charities selected annually by our members. APW is a great place to find common ground, break the ice, relax, enjoy, meet new friends, and learn about the city.
