APW is an Autonomous Not-for-Profit Organization whose goal is: to promote friendship and moral support between women who are in the petroleum industry and/or whose husbands are associated with or retired from the petroleum industry. Celebrating over 74 years, APW dates back to 1948. APW has raised funds for local charities selected annually by our members. APW is a great place to find common ground, break the ice, relax, enjoy, meet new friends, learn about the city.
